

# KOPRI Asian Polar Science Fellowship Program 2017 Application Form

## Outline

Asian Polar Science Fellowship Program is one of the KOPRI's initiatives to promote Asian research collaboration, making use of its expanding infrastructure and capacity and also to provide future generation polar researchers with networking opportunities. The Asian Polar Science Fellowship Program consists of two elements: Institute Visiting Program and Field Research Program.

## 1. Personal Information (CV)

Name, Birth Date, Gender, Citizenship

Current affiliation (Institution, Department, Faculty Status)

Mailing Address, Email Address, Phone and FAX numbers

Degree(s) Earned & Subject, Degree(s) Earned Date (Year)

Major publications

Research Experience: In approximately 200 words, provide a chronological outline of your laboratory and field research experience and start with your most recent activities

## 2. Research Proposal

In about 200 words, provide a description of your research plan at KOPRI and explain how your research at KOPRI could fit with KOPRI's research focus and how it will enhance your professional development.

- Indicate **Project Title** and KOPRI scientist(s) to whom you contacted for this proposal, if applicable.

- Please obtain a faculty head's approval before submitting the application.
- A letter for recommendation by a National Representative of the AFoPS members should be attached to the application (in case of applicants from AFoPS member states).
